Mid-Atlantic Society for Developmental Biology 2025

We had a great time meeting our regional colleagues, sharing our work, and learning about all the cutting edge research in developmental biology!

Halloween 2024

The lab dressed
like Mike this year,
plaid and a gray
cardigan! Then
Mike "chickened"
out!

July 2024

Celebrating the
summer with
some Duckpin bowling!

April 2024

A potluck for lots of celebrations!
Belated holiday party, our first
rotation students, and our first
“Labiversary”!

August 2023

Celebrating the end of our first summer together by cracking an escape room just in time, then following up with delicious tacos!
